Primary Camp

For ages 2-5 with limited spaces for children 2 years of age

During morning hours at camp, the children will follow our traditional Montessori morning program using materials from the various curriculum areas of the classroom with influences matching the weekly camp themes. Children under the age of 4 who stay at camp through the afternoon will nap in a quiet area. Those who are 4 and older and do not nap will continue in the classroom with an age-appropriate focus on a variety of structured arts, crafts, and outside activities as well as plenty of time for free play on our 27-acre campus.

Elementary Camp

For ages including rising first graders – 10

During the morning hours, campers will focus on the weekly themes listed on this page. Campers staying through the afternoon will continue their day with a special focus on structured arts, crafts, and outside activities while enjoying time for free play at MSW.

Week 1 June 17 – 21 Artful Antics

What do wild things, dots and owls have in common? Come join us for a week of fun arts and craft activities based on books we will read together!

Week 2 June 24 – 28 Tropical Paradise

Flower necklaces, grass skirts, fruity drinks, exotic animals.... All sorts of delights await campers on our tropical paradise!

Week 3 July 1 – 5** Ancient Egypt

We will travel back in time to ancient Egypt where we will meet mummies and kings, cats and dogs, gods and goddesses. Learn to walk (and play and eat and count and draw) like an Egyptian.

Week 4 July 8 – 12 Arctic Adventures

Take a break from the heat of summer and join us as we trek north to the Arctic Circle: seals, polar bears, northern lights, igloos and, of course, hot chocolate!

Week 5 July 15 – 19 Lights, Camera, Action!

Okay, maybe not that dramatic, but we will have a week of performing plays, writing scripts, making simple costumes – perhaps even creating a musical!

Week 6 July 22 – 26 Mad Scientists

Join us for a week of slimy, oozing, messy, exploding fun! Don your lab coats and goggles as we explore the wonderful, and sometimes wacky, world of science.

Week 7 July 29 – August 2 Culinary Camp

Young chefs will learn basic cooking skills, practice kitchen safety, and create some cool recipes! It's everything you need to whisk your way into the wonderful world of cooking!
